

Account Transfer Form

Instructions

Complete all sections according to the instructions below. Please print or type all information. Return the completed form to your financial organization.

You must attach your most recent brokerage account statement to process this account transfer. For an internal transfer (for instance, a transfer of assets between two introducing broker-dealers who clear through Pershing) the brokerage account statement is not required. Non-U.S. positions being transferred into your account will be held in U.S. dollars unless your financial firm instructs Pershing to hold the non-U.S. positions in their original currency.

Step 1. Receiving Firm Information

- Provide your Pershing account number.
- Provide your Social Security Number (SSN) or Tax Identification Number (TIN).
- If the account is a joint account, provide the SSN or TIN for the joint owner.
- Provide the two character account type code that most accurately describes your account.

Step 2. Delivering Account Information

- Provide the clearing firm number. If there is no clearing firm number, enter the delivering firm name, contact name, and telephone number.
- Provide the original account number of the account you are delivering to Pershing.
- Provide the account title as it appears on your brokerage account statement for the account you are transferring.

Step 3. Transfer Type

Indicate the type of transfer you are requesting by checking the appropriate box. Pershing will only transfer positions in kind for retail accounts. For nonretirement accounts, the quickest way to liquidate your assets is to call your existing financial organization and place a sell order. In order to ensure that the trade is executed at the time and price you want, request to have the proceeds check mailed directly to you. For checks, please refer to delivery instructions on this page (include your account number on the check).

- A Direct Registration System (DRS)/Direct Reinvestment Plan (DRIP) transfer is a transfer of a position held directly at the transfer agent.
- A direct mutual fund transfer is a transfer in kind of a direct mutual fund position from the mutual fund company.
- Bank retirement plan accounts involve transfers of retirement plans at banks with CDs, checking accounts, or savings accounts. Please indicate if you want to liquidate immediately.

Step 4. Partial Transfers, Direct Mutual Funds, and Liquidations

If you selected Partial Transfer, use this section to specify the appropriate assets for a partial transfer. If you selected Direct Mutual Fund Transfer, use this section to identify the mutual fund positions to transfer.

- Liquidation instructions will only be accepted from non-National Securities Clearing Corporation (NSCC) firms.

- Select a dividend and capital gain option for direct, in kind mutual fund transfers. If a box is not checked, Pershing will process the transfer as reinvest, for dividend and capital gain options.
- If you have requested a liquidation, your market price is not guaranteed. You will receive the current market price after your transfer request is received, reviewed, and determined to be in good order by the delivering firm. Pershing is not responsible for market fluctuations or delays in the review process. DRS items cannot be liquidated.
- If you indicate that you want to defer instructions in your bank CD until maturity date, please specify the maturity date on this section.

Step 5. Retirement Plan Restrictions and Certifications

If you are transferring or completing a rollover of a retirement account and are over the age of 72, read this section carefully. Contact your investment professional or financial organization if you have any questions.

- The new custodian must provide the appropriate paperwork for you to establish your receiving retirement account.
- You must pay any applicable retirement maintenance and termination fees to your prior custodian before you can transfer assets. Any deposit made to your Pershing LLC account to reimburse fees charged at your prior custodian shall be processed as a reportable contribution.

Make the appropriate selection of the receiving custodian for your retirement account. If you have selected someone other than Pershing LLC as custodian, have your investment professional or financial organization obtain the necessary signatures to accept custodianship.

Step 6. One and the Same Person Certification

Only complete this section if the name on the receiving account and the name on the delivering account are not an exact match but are the same person. Examples of discrepancies include name differences due to abbreviations and suffixes (Sr., Jr., etc.).

Step 7. Participant Signature and Certification

- Sign and date the form.
- The form must be signed, dated, and signature guaranteed within 180 days of its receipt.

STEP 5. RETIREMENT PLAN RESTRICTIONS AND CERTIFICATIONS

Age 72 restrictions: If you are age 72 or older this year and you are rolling over assets from a qualified plan or 403(b) account, you must take your required minimum distribution (RMD) from your distributing plan before rolling over your assets.

Rollover Certification of Employee: I hereby certify that I understand the rollover rules and conditions as they pertain to this retirement account, and I have met the requirements for making such a transaction, including the eligibility of these assets to be rolled over. In addition, I have been provided with information and/or educational materials regarding my rollover distribution options, which include:

1. I may be eligible to leave my account in my current employer-sponsored retirement plan;
2. I may transfer (roll over) my account into my new employer retirement plan (if my new employer offers a retirement plan that permits transfers to that plan);
3. I may roll over my account assets into an individual retirement account or annuity (IRA) with a bank, brokerage firm, insurance company or other financial institution that offers IRA programs; or
4. I may have my account paid directly to me with the understanding that there will be immediate income tax consequences, and possibly excise taxes.

Information and/or educational materials made available discussed many important advantages and disadvantages of the four options, including investment options, fees and expenses, services, penalty-free withdrawals, protection from creditors and legal judgments, required minimum distributions, and employer stock. I assume full responsibility for this rollover transaction and will not hold Pershing LLC liable for any adverse consequences that may result. I hereby irrevocably designate this contribution in funds or other property as a rollover contribution.

Inherited/Beneficiary Retirement Account Acknowledgment - If I am requesting a transfer of assets that I acquired on or after January 1, 2020, I acknowledge I may be subject to the 10-year distribution rule. Exceptions, including inheritance by spouses, do apply. Due to the complexity of RMD requirements for inherited accounts, I have been advised to speak with a tax professional.

- Please be advised that the following does hereby accept appointment as successor custodian.

By signing below, I certify that

Print Name on Account	and	Print Alternate Name
-----------------------	------------	----------------------

are legally one and the same person.

STEP 7. PARTICIPANT SIGNATURE AND CERTIFICATION

To the Delivering Firm Named Above: If this account is a qualified retirement account, I have amended the applicable plan so that it names as successor custodian the trustee listed above. Unless otherwise indicated in the instruction above, please transfer all assets in my account to Pershing without penalties, such assets may be transferred within the time frames required by Financial Industry Regulatory Authority (FINRA) Rule 11870, or similar rule of FINRA or other designated examining authority. Unless otherwise indicated in the instructions above, I authorize you to liquidate any nontransferable proprietary money market fund assets that are part of my account and transfer the resulting credit balance to the successor custodian. I authorize you to deduct any outstanding fees due to you from the credit balance in my account. If my account does not contain a credit balance, or if the credit balance in the account is insufficient to satisfy any outstanding fees due to you, I authorize you to liquidate the assets in my account to the extent necessary to satisfy that obligation. If certificates or other instruments in my account are in your physical possession, I instruct you to transfer them in good deliverable form, including affixing any necessary tax waivers, to enable the successor custodian to transfer them in its name for the purpose of the sale, when, and as directed to me. I understand that upon receiving a copy of this transfer information, you will cancel all open orders for my account on your books. I affirm that I have destroyed or returned to you credit/debit cards and/or unused checks issued to me in connection with my brokerage account. I understand that you will contact me with respect to the disposition of any assets in my brokerage account that are nontransferable.

Please attach your most recent brokerage account statement to process this account transfer.
